Extended Care
House Calls

Doctors & Nurse Practitioners to your Home

Our Company, Extended Care House Calls (EC House Calls, ECHC), was founded by two Board Certified Nurse Practitioners. Our focus is providing primary medical care for patients in a variety of settings. Our Nurse Practitioners and Physicians manage patients' medical conditions in the:

- Patients' Homes
- Independent Living Facilities
- Assisted Living Centers
- Personal Care Homes
- Adult Day Cares

As a team, we will personally follow you or your loved one providing comprehensive medical care.

House Calls

Providing **house calls** allows the home-bound patient to remain at home and maintain their independence. There is no place like home.

As a practice serving older adults, our Nurse Practitioners and Physicians treat chronic illnesses with a comprehensive approach including:

- Disease Management for Acute & Chronic Illnesses
- Health Promotion & Education
- Collaborative Care
- Medication Management
- On-Site Lab, Ultrasound & X-rays
